

NORTHERN PACIFIC RAILWAY

HISTORICAL ASSOCIATION

Membership Application

The NPRHA is dedicated to preserving the history of the Northern Pacific Railway. Our members do this by researching NP operations, equipment and facilities, along with encouraging modeling of the NP by working with manufacturers to produce accurate NP products. Members are located throughout the world and include modelers, historians and NP veterans all working to keep the memory of this classic railroad alive. In 1985 David P. Morgan, editor of *Trains* magazine named the Northern Pacific the "All-American Railroad."
